Warranty Coverage is given for failures due to defects in materials or workmanship and does not cover failures due to unauthorized modifications, such as over ballasting and overfueling, or tractor pulling contests. Warranty Coverage is extended to the installing purchaser only and the warranty period is determined by the date of original installation, and the current Hy-Capacity warranty policy in effect at the time of installation.

This warranty is in lieu of all other warranties expressed or implied. Warranties of merchantability and fitness for a particular purpose are excluded, as are all other representations to the user - purchaser and all other obligations or liabilities including liability for incidental and consequential damages on the part of the company or seller. All parts must have an RMA number and proper paperwork at time of return. RMA numbers may be obtained on our website or by calling an Inside Sales Agent.
