

M8423467NU [11" Dual Stage Clutch Unit - New]

Instruction Guide

Adjustment Instructions

Flat Flywheel Step

All measurements are taken after clutch assembly is bolted to the flywheel

D = Measurement is from the flywheel mounting surface to the release lever 3.860"

D1 = Measurement is from the flywheel mounting surface to the release lever 4.840"

Warranty Note

A flywheel mating disc has been included with this Clutch Unit to ensure that it achieves the longest life possible

The included flywheel mating disc may be returned for credit if a serviceable disc that measures within .020" of the enclosed disc is used

Failure to install a serviceable disc within these tolerances will void the Clutch Unit's warranty
